

# Introducing: A Simple Solution for a Serious Problem

## The Lou Lou SHOWER CHAIR SYSTEM

Disinfecting Dispenser

SEAT SPREADS PERI-AREA

Patent Pending

### Why You Need The Lou Lou

Independent surveys of Long Term Care facility CNAs report consistent occurrences of incontinent accidents during the bathing process. Contamination of equipment & uniforms provides the means for spreading harmful bacteria, most notably **C.Diff**, which has shown to be on the rise.

### Designed To Be Effective

- Replaceable Soft-Scrubable Cushions
- Increased Sitting Area
- Replaceable All Locking Casters
- Split-Seat Opening
- Deep Catch Bowl
- Solid Construction
- Easy To Keep Clean
- Fixed - Direct To Drain

TOGETHER WE CAN HELP PREVENT THE SPREAD OF CONTAGIOUS PATHOGENS IN YOUR FACILITY
